RE: CHINESE COMMUNIST ACTIVITIES IN THE UNITED STATES

A Chinese informant of unknown reliability has reported the receipt of information from Hong Kong through a "Chinese Secret Society Grapevine" that Russia through LIU Shao-chi, Vice Chairman of the Chinese Communist Party, is engineering a tremendous buildup of men and equipment in Korea and Indo-China to be used coincident with a sneak attack on the United States similar to Pearl Harbor. The informant in this matter claimed that the source who initially furnished this information to him had predicted the Pearl Harbor attack several days prior to its occurrence.
